## FLEXOLOGY

### REACH ANYWHERE

Easily access hard-to-reach areas under furniture. Press the Flexology Lock Release button to lower the angle of the wand to increase your reach.

Flexology Lock Release

### STORE ANYWHERE

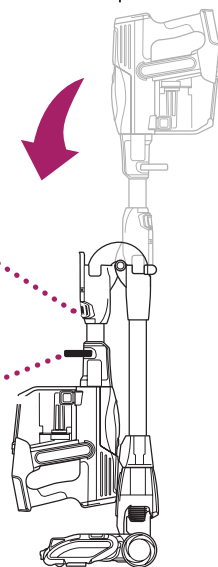

To store, press the Lock Release button and hold it down while folding the handheld vacuum forward, until the unit locks in storage mode. Use the handle to carry the vacuum to its storage location.

To take the vacuum out of storage mode, press the Flexology Lock Release button while lifting up the handheld vacuum. The wand will lock in place.
